

## Tata Institute for Genetics and Society

### Ph.D Program (Science) – AUGUST 2025 Session

#### SHORTLISTING CRITERIA:

An applicant must fulfill the criteria listed in the table below in order to be eligible to be called for the interview.

**Method 2: A higher benchmark of quantifiable merit is set to shortlist the candidates and this benchmark is same for general as well as reserved categories of candidates.**

| S.N. | Category (separate criteria for each category in case Method 3 is adopted) | Shortlisting Criteria (Category-wise)                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
